

LIVING IN THE BLUES (Glielmo-Treves) LP"3" 1985

**You know I'm living in the blues
You know I'm living in the blues
When I talked to you baby,
I did have no more to say**

**Pretty baby, please don't go away from me
Pretty baby, please don't go away from me
Love me or leave me,(but) you can't treat me
Wrong all time...**

**Playing the blues, singin' my life
Blowin' my harp, helpin' the friends
You know, I'm living in the blues
I sayed bye bye baby, this is my life
This is my Blues**
