

BLUES AGAIN (A. Gariazzo)

I wa standin' at the station waitin' for a train that
didn't come (2 times)
And if I don't see you baby
I believe I'm going down

Don't worry baby I just want to take care of you (2
Times)
But if you ask me to marry you Well you know that
it's too soon (I'm so sorry baby)

SOLOS

I need you lady need your love for me (2 times)
But if you try to change my mind I have to play my
blues again
