

DOWNTOWN SHUFFLE (Fabio Treves)

CD "Jeepster" 1999

Well I'll go downtown

Well I'll go downtown

But, please, don't think my blues

Was falling down...

I tried to call you twice in the mornin'

And none talked to me when I was lyin'

Walkin' down the road with my baby

Searchin' for a drugstore in the sun..

Waiting for a bus that wasn't coming

I believe I was soon losin' all of my mind...
