

**SHE'S MY BABY (Fabio Treves) CD" Blues Again" 2001**

**My daddy told me  
"You're a big boy now"  
my mama shout me  
"..what you think about? "  
I love that girl  
And you don't know why  
But I'm sure someday  
She'll become my wife..  
Cause she's my baby  
She's my baby..  
And I love her so much  
I love her as much as my life.**

**I play the blues  
And she loves it too  
We like B.B.  
Hope you like it too  
We enjoy the music  
We enjoy the band  
But I'm sure someday  
We gotta a lot of blues friends  
Cause she's my baby  
She's my baby  
And I love her so much  
I love her as much as my life..**
