

SUZEEING (Fabio Treves) CD"Jeepster" 1999

**I wake up this morning
And I'm just crazy for you
You know my little darling
I love you like no one else
And if you be my baby
There'll be no more blues in my life**

**Sometimes I wanna go
Sometimes I wanna stay
But every night I need you
And I'm sure this is the way**

**Please, little darling...
I can't help you lovin' me
And if you'll be my baby
There'll be no more blues in my life...
(and you know what I mean,baby..)**

**Sometimes I wanna go
Sometimes I wanna stay
But every night I need you
And I'm sure this is the way**

**Please little darling..
I can't stop lovin' you
Stay with me little Susy
I feel so good with you, baby....**
